RADM John L. Butts, USN  
Director of Naval Intelligence  
Department of the Navy  
Washington, D.C. 20301

Dear Admiral Butts:

STAT On behalf of the Committee on Imagery Requirements and Exploitation (COMIREX), I commend the Navy COMIREX Member, [redacted] USN, for arranging a Committee visit to CINCLANT Headquarters at Norfolk on 21-22 May 1985. He did an outstanding job organizing the visit and we found it to be most informative and useful permitting COMIREX to experience first hand the important contributions that imagery products make in supporting the many and varied responsibilities of the CINCLANT command.

STAT The visit to the aircraft carrier USS AMERICA was clearly a highlight of the trip. This was a first for many of the participants and the group all came away with a much better appreciation of what is required to effectively support Fleet deployments and operations.

STAT Again, please convey our thanks and appreciation to [redacted] for his efforts which made this visit an outstanding success.

Sincerely,

STAT [redacted]

✓ Chairman
